- o The annual Lead Out Loud Conference was held on October 12, 2021. Dr. Berry reviewed the details of the conference and how students are selected to attend. It is our plan to have more students involved next year.
- o The purpose of the LOL conference is to help students become leaders. Students are selected based on leadership qualities and potential leadership qualities. Students that are selected should be different than the students who are currently in other leadership positions (Student Council, etc).
- o The keynote speaker for the 2021 conference was Anthony Robles. See his video here:
