The Community

The town of Queen Creek is rich in history and tradition. Our town dates back to 1912, but wasn't incorporated until 1989. Queen Creek currently has over 68,500 citizens and manages to retain its small-town feel and charm.

We are proud of the many programs we offer our students and families here in Queen Creek and the schools have a reputation for educational excellence.

The School

Queen Creek High School is a comprehensive four-year school, which includes a Performing Arts Center, a College and Career Center, athletic weight rooms (field house), numerous athletic fields and two indoor gymnasiums.

We stand committed to helping every student to challenge themselves. We offer a number of honors, advanced placement (AP), career and technical education (CTE), and dual enrollment courses. QCHS has fantastic teachers who spend hours creating classroom activities to engage our students by utilizing research-based best practices. We believe in model growth mindset, believing that anything is possible through hard work, effective teaching and positive reinforcement.

School Motto

“High Achievement in a Caring Environment”

The Academic Year

The school year is considered to be a modified year round schedule: 9 weeks of instruction with a 2 week break each semester. Daily classes consist of six 48-60 minute periods, with a split lunch and Achievement Hour offered daily.

Demographics

White: 62%
 Hispanic: 26%
 Black: 3%
 Asian: 2%
 Native American: Less than 1%
 Native Hawaiian/Pacific Islander: Less than 1%

Career & Technical Education Courses

Career & Technical Education (CTE) courses prepare students to succeed in future careers, post-secondary educational opportunities and to become life long learners by providing them with the necessary academic and technical skills, knowledge and hands on training. We offer 14 CTE programs on our campus, 5 Career & Technical Student Organizations (CTSOs) and work based learning internships. Our programs consistently rank as the top CTE programs in technical skill attainment and CTSSO competitions.
